

Campus Visit Notes

FOR THE STUDENT

One page per campus, filled in while you are still there. By the fourth visit every college blurs together, and the notes you did not take are the ones you needed.

When: Take one per campus, filled in before you leave the parking lot

College

Date of visit

Who came with me

First impressions

Write these before you talk yourself into or out of anything.

Could I picture myself here?

NOT AT ALL (1) (2) (3) (4) (5) ABSOLUTELY

Did the students seem happy?

NOT REALLY (1) (2) (3) (4) (5) VERY

Did I feel safe and comfortable?

NO (1) (2) (3) (4) (5) COMPLETELY

What I saw

The best thing about this place

The thing that worried me

A class, lab or studio I want to be in

Where students actually hang out

Questions I asked, and what they said

The car-ride verdict

Say it out loud before anyone else gives their opinion.

WORTH KNOWING

- ◆ Take a photo of something ordinary — a dorm hallway, the dining hall at noon. Brochure photos all look the same.
- ◆ Ask a student who is not the tour guide one question. Anything.
- ◆ Rate it the same day. A week later you are rating your memory, not the school.
