FILL IN TOGETHER

Every application, every deadline, every piece still outstanding, on one page. The single most common way a strong application fails is that something was late.

When: Print in September of senior year and put it on the fridge

Tick a box only when the college confirms it received the item, not when you sent it.

WORTH KNOWING

- ◆ Early Decision is binding. Early Action is not. Know which one you ticked.
- ◆ Deadlines are in the college's timezone, and 11:59pm means 11:59pm.
- ◆ Ask teachers for recommendations four weeks out, not four days.
